Fax: (919) 541-0947

Dear Dr. William Stokes,

Upon hearing of you're the cruel LD50 tests you are using, I ask you to please begin efforts to completely replace lethal dose. Please test with non-animal, in vitro testing methods. I am outraged and deeply upset at any form of animal testing, let alone a system in which half of the population is forced to die.

Sincerely,

Stephanie Manka
